

Technical data Prosilva 810

Dimensions

Length 5700 mm

Width 2600 - 2800 mm

Height 3375/3440 mm

Clearance 600 mm

Weight min. 11000 kg

Fuel tank volume 215 l

Tires 600/65 x 34 (standard)

Hydraulic system

Electronically steered load sensing system

Hydraulics max. output 305 l/min

Working pressure max. 32 MPa

Oil tank max. volume 215 l

Electrical system

Voltage 24 V

Batteries 2 x 125 Ah

Generator 100 A

Engine Deutz

Deutz BF6M2012C

6-cylinder, turbo-charged, charge air cooled

Power 151 kW (202 hp)

Cockpit

Air-conditioned safety cockpit

Safety windows

Rops and Fops approved

Transmission

Hydrostatic

Articulated steering, turning radius 4,7 m

Brakes

Wheel-specific, spring loaded parking brakes

Loader

Logmer 10-90

Foresteri H1395

Felling head

Foresteri

Keto

Lako

Waratah

Measuring device

Motomit
